

SG FAFALLEN & Co Lawyers resumes independent practice in Hong Kong

Dear Clients, Dear Friends,

You may be aware that on 31 March 2010, part of our team of our former Hong Kong Registered Swiss Law firm SG FAFALLEN & Co. Hong Kong joined a leading Chinese Law firm where Mr. Serge G. FAFALLEN, a Swiss lawyer, was appointed Partner, Head of the Private Clients practice.

However, after unsuccessfully attempting to combine our culture and operations with this Chinese firm, we have resolved to spin off and to resume our independent legal practice in Hong Kong under our former trade name SG FAFALLEN & Co Hong Kong as of 15 January 2011.

We are also pleased to resume as of this date our former Association of Law firms with HUEN & PARTNERS Solicitors where we will have the support of over 80 lawyers and staffs.

Since 2004, SG FAFALLEN & Co Hong Kong remains the first and only Swiss Law firm in Hong Kong.

As during the last 25 years in Geneva and the last 7 years in Hong Kong, we will be honored to continue to provide assistance, planning and legal, tax & corporate services, to:

- Individuals, Families & Family Offices ("Private Clients");
- Small & Medium Companies ("Corporate Clients"), especially in regard to international transactions between Western Europe, Russia & Eastern Europe or the Middle East on the one hand and Hong Kong or Mainland China on the other hand.

For further information, please do email or contact Mr. Serge G. FAFALLEN in Hong Kong.

We seize this opportunity to thank all our clients for their continuous trust and support.

Hong Kong, 13 Jan 2011
