### Message from the Consul General Sacha Bachmann

Dear fellow Swiss citizens,  
Dear friends of Switzerland,

2025 has been a remarkable and rewarding 75th Sino-Swiss diplomatic anniversary year.

Productive high-level meetings, significant cultural and business

events further deepened Sino-Swiss relations. Swiss Foreign Minister Ignazio Cassis visited Shanghai in April and met his Chinese counterpart Wang Yi three times this year. Shanghai Mayor Gong Zheng visited Shanghai's sister city Basel and joined the World Economic Forum in Davos in January. Government leaders from Neuchâtel and Vaud led economic missions across the Yangtze River Delta and beyond.

Vibrant cultural highlights of the 2025 Sino-Swiss Year of Culture and Tourism included the exhibition of the unique Collection de l'Art Brut from Lausanne at the iconic Power Station of Art Museum in Shanghai, as well as the exhibition of more than 160 timepieces mostly from the Musée international d'horlogerie (MIH) in La Chaux-de-Fonds, held at the magnificent Villa Hantang on Shanghai's scenic Bund riverfront.

Further memorable happenings included the 4th Montreux Jazz Festival China in Suzhou, the Zurich Boys Choir Shanghai concert, the Fumetto Comic Festival Luzern exhibition and the Swiss Design Classics exhibition in Shanghai (and Nanjing), and Swiss contemporary glass artist Simon Berger's

first China exhibition in Hangzhou. Swiss photographer Henry Leutwyler and Swiss artists Marius Steiger and Deborah-Joyce Holman showcased their artworks in the Yangtze River Delta (YRD) as well.

The Consulate General's flagship Swiss Night Reception attracted more than 300 distinguished business executives, guests and government leaders including the Swiss Ambassador to China, Jürg Burri, highlighting the vital role of the vibrant Swiss business community in Shanghai. Other notable government leaders visiting Shanghai included Ambassador Markus Leitner, the newly appointed Asia Pacific Director General at the FDFA State Secretariat in Bern, members of the Swiss Federal Parliament as well as Dr. Thomas Wagner, former Mayor of Zurich and Honorary President of the Swiss-China Association. Swiss Tennis legend Roger Federer and Swiss Cycling Olympic Champion Fabian Cancellara also visited Shanghai in their role as Swiss Watch Brand Ambassadors.

Swiss companies continued to invest in new or additional facilities in the YRD. It has been a pleasure to celebrate Swiss business milestones, such as the openings of the Straumann Shanghai Campus, Ypsomed's Changzhou production facility, the BE WTR Shanghai bottling plant, the USM Shanghai showroom, and Cotecna's new China headquarters. Other impressive milestones included Fracht Group's world meeting in Shanghai, the 10th anniversary of Roche Diagnostics in Suzhou, the 15th anniversary of the Fesco-Adecco joint venture, Schindler's 45th China anniversary, Audemars Piguet's 150th anniversary, and Vacheron Constantin's 270th anniversary.

More than 80 Swiss companies and brands showcased their products and services, and launched Swiss innovations at the 8th China International Import Expo (CIIE). The 37th IBLAC Forum (International Business Leaders' Advisory Council for the Mayor of Shanghai) featured the Chairpersons of Swiss multinational companies Roche, Novartis and Swiss Re as well as the ABB CEO. Swiss companies were also very well represented at major trade fairs such as Marintech China, Medtec China, and China Beauty Expo.

What a Year! I look forward to an equally inspiring 2026!

Stay tuned and follow us on Social Media @ <https://twitter.com/SwissCGShanghai> Weibo and WeChat for updates on our activities, services and events.
